## JANUARY

### Prayer Calendar

#### • **January 1 – 4**

This month is Sanctity of Human Life Month. Please be in prayer this month for the unborn and the families in our communities. We have numerous events happening this month that help bring awareness to the sanctity of human life.

#### • **January 5 – 11**

Many of our volunteers, staff, and their family members are struggling with difficult health concerns. Pray that the Lord will provide them with comfort and healing. Pray also for more volunteers to help cover their responsibilities while they are healing.

#### • **January 12 – 18**

Pray for our January 18 Frigid 5K. This is one of our largest fundraisers. Pray for the participation of many runners and volunteers. Ask that the Lord will continue to provide our financial needs through this event.

#### • **January 19 – 25**

Please be in prayer this week for the planning and preparation for the Community Prayer event at First Baptist Church- Mishawaka, taking place Sunday, January 26 at 6 PM. This event is where we unite with fellow believers for a time of directed prayer focused on life issues in our hearts, community, country and world, with a particular focus on the unborn.

#### • **January 26 – 31**

Ask the Lord to help bring clients into LifePlan who need to hear the Hope that is found in the Gospel. We specifically ask that you pray for The Exchange Program, which presents the Gospel in a clear, concise manner. Pray that our medical team would respond to promptings of the Holy Spirit with humility, and that clients would respond with open hearts.

The most important way you can support LifePlan is through prayer. Please take this calendar and pray over the requests for each week. Together, with the power of God, we can help people choose life and live hope-filled lives.
