## FEBRUARY

### Prayer Calendar

#### • February 1

Praise the Lord with us that our Spanish speaking clients are receiving the support they need and deserve. Pray that the the Lord would continue to provide the volunteers needed to mentor these beautiful souls.

#### • February 2 – 8

Pray for the numerous speaking engagements that our staff members have this month. Ask that God would use these opportunities to expand our reach into the community and would encourage positive partnerships with local churches and organizations. Pray also that these presentations would encourage people to volunteer with us.

#### • February 9 – 15

Ask that the Lord would continue to bring clients to LifePlan. Ask that God would open up opportunities for us to graciously present the Gospel. We recently noticed that numerous clients have been misinformed about what a relationship with Christ looks like. Pray that we may help bring clarity to the hope found in the Gospel.

#### • February 16 – 22

Please be in prayer this week for our staff as we have some big initiatives that we are working on to help expand and redeem our communities. Pray that the Lord would continue to help us find the balance between working on these new projects and loving our clients well on a daily basis.

#### • February 23 – 28

Continue to help us pray for our staff and volunteers who are battling significant health concerns. Ask that God would restore their health and that they would be able to resume their roles at LifePlan. Pray that in their absence our campuses would continue to run smoothly.

The most important way you can support LifePlan is through prayer. Please take this calendar and pray over the requests for each week. Together, with the power of God, we can help people choose life and live hope-filled lives.
