

LifePlan

MARCH

Prayer Calendar

• March 1 – 8

Be in prayer this week for the numerous outreach and fundraising events coming up this spring. Ask that the Lord would bring clients to the events specifically happening at our Benton Harbor campus. Pray that God would provide the necessary volunteers to help run these events. Pray also that our LifePlan staff would find creative, engaging ways to share about our ministry and invite community partnerships.

• March 9 – 15

Pray that the Lord would lead compassionate, dedicated volunteers to all three LifePlan locations. Continue praying that God would strengthen our current volunteers and that they would find peace, rest and wisdom in Him as they serve the families in our community.

• March 16 – 22

Praise the Lord with us, as He is faithfully bringing clients to LifePlan! Ask that God would continue to do so and that He would open up opportunities for us to graciously present the hope that is found in the Gospel. We recently have had an influx of calls from very abortion-minded mothers. Fervently pray that the Lord would use the wisdom and compassion of our medical team to guide these women to choose life!

• March 23 – 29

Some of our staff are still battling significant health issues. Pray for healing and peace as they navigate these unexpected health concerns. Also pray that God would provide perseverance, strength, and wisdom for our entire staff and their families this week.

• March 30 & 31

Please pray that God would intervene in the lives of our clients specifically at our Niles location. Some of our clients have been looking for housing and jobs for months with little to no success. Help us pray for the Lord to guide their steps toward independence.

The most important way you can support LifePlan is through prayer. Please take this calendar and pray over the requests for each week. Together, with the power of God, we can help people choose life and live hope-filled lives.
